PROCEEDINGS OF THE MYSORE REPRESENTATIVE ASSEMBLY

BIRTHDAY SESSION, JUNE 1921.

PART I.

SUBJECTS DISCUSSED.

FINANCIAL.

(Nos. 1 to 3.)

SUBJECT No. 1.

(1) Interest due on State Loan Bonds to be set off against *Kandayam*.

(2) Payment of interest on such bonds at the villages where such holders reside.

Mr. T. G. Nagappa, Turuvekere Sub Taluk.

Mr. T. G. Nagappa.—People in villages experience considerable difficulty in realising interest on Mysore Government Loan Bonds. They will have to go to the taluk headquarters to realise very small amounts and the filling up of the necessary forms also gives them some trouble. To obviate these inconveniences, arrangements may be made to adjust the interest to be realised on Loan Bonds towards the amount due on account of land revenue.

Dewan.—A good suggestion. Will be considered.

SUBJECT No. 2.

Retiring pensions to be given after a service of 25 years.

Mr. C. Srinivasa Rao, Kadur District Board.

Summary of Representation.—Retiring pensions may be given after a superior service of 25 years instead of 30 years as at present. Extensions of service should, under no circumstances, be granted to officers, both gazetted and non-gazetted, on their completing the 55th year. If the services of any officer are required after he reaches the 55th year, he might be retired and then kept on for a period not exceeding six months on some allowance not counting towards pension.

Withdrawn.

SUBJECT No. 3.

Grant of Travelling Allowances to Patels.

Mr. Veere Gowda, Dodballapur Taluk.

Mr. Veere Gowda.—In Police cases, the Patels are examined as witnesses. They are at present obliged to incur expenditure on account of these journeys. They may be given travelling allowance or *batta*.

Mr. Hutchu Veere Gowda.—Travelling allowance may be paid only for journeys performed in connection with Government cases.
